

OVERVIEW

A commercial cooking equipment customer was having trouble with their LCD supplier and needed a better source. DNA offered CASIL of Hong Kong as a dependable supplier. CASIL met customer requirements for LCD performance and price.

CHALLENGES

- Customer required CASIL's standard part to be configured differently for communication and connectivity

SERVICES PERFORMED

- Hardware design
- DNA offered dependable source
- CASIL reconfigured LCD communication

RESULTS

- CASIL responded with a revised design in a short amount of time without expensive cost-adders
